### Project Title \*

### AKA Title(s)

### For Direct-to-Audience funding, support from Screen Australia should account for no more than:

- 80% of the total project budget, capped at \$300,000, for projects with a budget of \$500,00 or less; or
- 65% of the budget (including the Producer Offset) for projects with a production budget of more than \$500,000.

### For Platform First or Producer First funding, any amount up to \$500,000 (inclusive of any previous Screen Australia development funding) may be requested (payable as a grant). There may be exceptional projects where Screen Australia would fund an amount greater than \$500,000. Support for any such projects would be as a recoupable equity investment.

Generally, federal government funds should account for no more than:

- 35% of the budget for projects with a budget of \$500,000 or less; or
- 65% of the budget (including Producer Offset) for projects with a budget of \$500,001 or more.

Applications for post-production only funding are generally expected to be for lower amounts.

Does the Key Creative identify as LGBTQIA+? \*

'LGBTQIA+' refers to lesbian, gay, bisexual, transgender/gender diverse, queer, intersex and asexual - the '+' recognises that LGBTQIA doesn't include a range of other terms that people identify with, or use to describe themselves. We acknowledge that one acronym or description may be not able to fully capture the diversity of gender identities, sexual orientations and bodily diversity in our community, and that language is constantly evolving. Our intention is to be as succinct as we can, but inclusive of all.
