Protagonist

A protagonist:

- Holds the 'point of view', or provides the dominant point of view that is experienced by the audience
- Drives the action of the story
- Has an arc of change:
 - The emotional and story stakes are tied to the protagonist's arc
 - A protagonist may not experience an arc of change, but may 'blossom' into their own fully realised selves, which in turn promotes changes in characters around them
 - A protagonist may 'fail' to change, and still be a protagonist (e.g. a protagonist who is confronted with a character 'flaw', does not change, and suffers the consequences).

A character does not have to feature all of the above factors to be a protagonist (or the only protagonist).

Ensemble dramas/ dramas with multiple protagonists

Several characters may meet the classification of a protagonist. These characters' stories may intertwine throughout the plot (for example *Nowhere Boys* and *The Katering Show*), or they may only interact occasionally, if at all (*Redfern Now* series).

Series drama may be structured to feature a different protagonist in each episode (for example, *The Slap*).

Allocating gender

The character's own gender identification is used when possible – for example, a character who identifies as female is classed as female.

Using the definition provided, please state the gender and name of the protagonist/s in your project.

Video Material

Please provide downloadable footage to support your application. This should include:

- i) A Proof of Concept (POC) relevant to the type of project proposed, for example, linear fiction would require a sizzle reel, filmed sample scenes or a pilot, while a project that relied heavily on user/social interaction may require a prototype or video 'walk-through'.
- ii) A simple talk-to-camera video pitch of no more than three minutes, where key principals present their vision for the project – particularly what's distinctive or innovative about the storytelling.

Online links must be download enabled for Screen Australia record keeping purposes. Format requirements: MP4 or WMV file, H.264, resolution 720p; files must be less than 200MB. If you need assistance in reducing filesize, click [here](#) for instructions on compressing your video file.

Indigenous Story Content

* indicates a required field

Screen Australia supports the telling of Indigenous stories by Indigenous creatives and storytellers.

Where this is not the case we expect meaningful collaboration and consultation with the Indigenous communities whose stories they are.

Whenever there is Indigenous content and/or Indigenous community participation in the project or when there are Indigenous members of the team who do not have the authority to speak for the people or place being represented in the story you will need to follow the checklists from [Pathways & Protocols: a film maker's guide to working with Indigenous people, culture and concepts](#) which includes a statement on how you are approaching the Indigenous content, (even if you believe the content is not specific to a community or individual), evidence of your consultation to date and where relevant, signed letters of consent confirming community and/or individual's willingness to participate.

All projects involving Indigenous content or participation will be assessed by Indigenous Assessors.

Does this project contain Indigenous content, and/or the participation of or collaboration with Indigenous people? *

☐ Yes ☐ No

For example: Does the project involve an Indigenous story or an Indigenous character? Or focus on an Indigenous person or community? Or use Indigenous communities or land as locations? Or draw on or refer to Indigenous culture and heritage in any form? Even if you think the Indigenous elements are incidental they should be outlined here.

Outline the level of Indigenous content (themes, characters, actors, locations) that you believe will be a part of the completed screen project. *

Why have you chosen to include Indigenous themes, characters, talent and/or locations in this screen project? *

How will you ensure the Indigenous themes, characters, talent and locations are represented respectfully and authentically (from development, to pre-production, shoot, post-production, delivery and marketing)? *

Key Creatives and Employment

Are any of the Key Creatives Indigenous? If the screen project has major Indigenous components, will you ensure there is an Indigenous Key Creative on your team? If not why? *

How many Indigenous people do you intend on employing in the development and/or production of this screen project? *

Collaboration

To date how have you collaborated with the Indigenous community on your screen project? Who from the Indigenous community have you collaborated with and can you provide a letter of agreement from them? What is your collaborative process with the Indigenous community going forward on this project? *

Rights

If your project has Indigenous Cultural and Intellectual Property components in the storyline, how are you implementing legal frameworks to protect these rights? *

Screen Australia's Pathways & Protocols will provide more information about Indigenous Cultural and Intellectual Property (ICIP)

If this project is based on a real person or on a true story from an Indigenous community do you hold the necessary rights to the story, have you spoken to the relevant people about their representation on the screen and have they read the treatment/script/story materials that you have submitted? *

Budget & Financing

* indicates a required field

As specified in the guidelines you must attach in the Submission Materials section:

- A detailed budget and budget summary using the relevant Screen Australia budget template (A-Z Digital Media, A-Z Non-feature Drama, or Interactive Media, as appropriate, depending on the type of project). The budget must include Screen Australia delivery items, administration and legal fees, as well as the cost of a solicitor's opinion on chain of title.
- A finance plan spreadsheet using the Screen Australia template. Both are available from the [Tools and Insights](#) page on the Screen Australia website.

Note: Both the budget and the amount requested from Screen Australia must include any previous Screen Australia funding. This will be deducted from the first Screen Australia drawdown.

COVID-19 Safety Compliance Costs Budget and Funding Sources

Please provide a budget summary for the COVID-19 safety compliance costs. Do not include GST. You will be required to attach a full finance plan and production budget including these costs as a separate item in the "Submission Materials" section (page 13) of this application.
