'LGBTQI+' refer to lesbian, gay, bisexual, transgender/gender diverse, queer and intersex - the '+' recognises that LGBTQI doesn't include a range of other terms that people identify with, or use to describe themselves. We acknowledge that one acronym or description may be not able to fully capture the diversity of gender identities, sexual orientations and bodily diversity in our community, and that language is constantly evolving. Our intention is to be as succinct as we can, but inclusive of all.
